

H.D.S. side module rack 3U / 14HP

Component rack for H.D.S. plug-in modules. Up to 24 ports can be divided between 2 individual modules. The plug-in modules can be completely pulled out. Mounting is done by using threaded strips. This enables simple and quick assembly. The mini-module rack can be combined with H.D.S. modules.

Lateral cabinet mounting makes it possible to implement space-saving, highly climate-friendly wiring without disturbing the flow of air.

Properties:

Material	metal
Color	gray, RAL 7035
Cover	metallic lustre
Installation depth	190mm
Keystone module	For a maximum of 24 ports divided between 2 individual modules
Area of use	Limited cabinet space, high flexibility, individual upgrades, e.g. in data centers, side mounting has no effect on cooling channel
Packaging unit	1 piece in box

Description

Description	Part number
H.D.S.-side module rack, unloaded	AVMSB314
H.D.S.-side module rack plug-in 1x H.D.S., 7HP	AHVSPV01
H.D.S.-side module rack plug-in 3x H.D.S., 14HP	AHVSPH03
H.D.S.-side module rack, affixed 4x H.D.S.	AVHSPBH04
Dummy plate	AVMB0000
